Reflections on today's reading

Easter is the feast of feasts, the joy and gladness of all Christians. In the very center of the Mass, the great prayer of thanksgiving, from the first words of the Preface, expresses the unrivalled motive for this joy: if it is right to praise You,

Lord, at all times, how much more so should we not glorify You on this day when Christ our Passover was sacrificed, for He is the true Lamb who took away the sins of the world, who by His Death destroyed our death and by His Resurrection restored our life. Easter means, then, Redemption obtained — sin destroyed, death overcome, divine life brought back to us, the resurrection of our body which is promised immortality. With such a certitude, we should banish all trace of sadness. ***Haec dies quam fecit Dominus: "This is the day which the Lord has made."*** Throughout the octave we shall sing of the unequalled joy which throws open eternity to us. Every Sunday will furnish a reminder of it, and from Sunday to Sunday, from year to year, the Easters of this earth will lead us to that blessed day on which Christ has promised that He will come again with glory to take us with Him into the kingdom of His Father. Let us pray ***O God, who on this day, through your Only Begotten Son, have conquered death and unlocked for us the path to eternity, grant, we pray, that we who keep the solemnity of the Lord's Resurrection may, through the renewal brought by your Spirit, rise up in the light of life. Through our Lord Jesus Christ, your Son, who lives and reigns with you in the unity of the Holy Spirit, God, for ever and ever.***
